Message: I am the great granddaughter of Hugh Pattison, granddaughter of Pearl Pattison and daughter of John Ralph Leonhardy. Debbie Brown donated a genealogy book to you that contains errors on my line. On page 17 of the introductory portion under Pearl and Leo Leonhardy's children, my father is John Ralph (not Ralph John) and his death date is 1966. Ellabelle's death date is 1933. Please make a note in the event anyone is looking for my line of the genealogy. Thank you. Adele Leonhardy Irvin
